

# Why Should ESP Join the Association?

## 4 Simple Reasons:

### Unified Voice:

Joining the Association gives ESP's a unified voice to communicate their issues and concerns.

### Representation:

Joining the Association gives ESP's on-the-job representation to advocate for their rights, including legal representation, if necessary. This is essential for job protection.

### Member Benefits:

Using Association member benefits more than makes up for the cost of dues! Examples: Discounted auto and homeowner insurance, over 150,000 discounts by using the Member Access Card, low cost mortgages, Disneyland packages, and more!

### \$1 Million Liability Insurance Policy:

Gives ESP peace of mind and protection in the event they are sued for work-related issues
